

MUHAMMAD IFTIKHARUL RAMADHAN

Bogor, West Java | +62857-8248-2434

miftikharul@gmail.com | www.linkedin.com/in/miftikharul | [Portfolio](#)

Fresh graduate from the Faculty of Information Technology at Brawijaya University with practical experience in the field of information systems. I am interested in the fields of computer science, communication, and UI/UX design. I have experience as a website development intern, managing website development. Participating in internships has helped me improve my skills and expand my professional network. I am a person with good time management skills, good communication skills, and attention to detail. I am always enthusiastic about learning new things.
